From Dr. Nyman-

Dear Key Family, I pray everyone is in good health. What times we are living in. In times like these, it is easy to panic. I want to encourage you to practice the FROG principle (*Fully Rely on God*) and place your full trust in God through the blood of Jesus.

Our first priority is the safety of our students, staff and families. Although we pray that future COVID-19 closures will not be needed, I want us to take full advantage of the technology that our 2020 has brought us. As parents, we support the choices you have with your students' education and we are humbled you have chosen *The Key to Learning*. We will continue to take measures to ensure the safety for all of our friends. We look forward to seeing you all on campus again. In the meantime, stay well, stay humble and be kind!
