## CRITTER CHRONICLES

\* Most of you may not know, but Dr. Nyman has written a few books. These books are about "critters" that students have given to her to "babysit" while her and Mr. Winn go camping. I have attached the link in this email and here it is for reference. These books are only available through this link and for The Key to Learning families to enjoy.

1 Thessalonians 5:17 "pray continually"

In this verse Paul encourages the Thessalonian believers to pray continually. Naturally, this does not mean to be in a state of prayer during every waking moment. Rather, we ought to be in a constantly "prayerful" state, and frequently speaking to God in actual, dedicated prayer. Please join us as we pray for healthy students and staff and a smooth finish to the end of the school year.

# TALENT SHARE

We're thrilled to present the diverse array of talents our students have been blessed with, while we enjoy a meal together to raise funds for this school we all love!
