## STAFF/TEACHER APPRECIATION

Help us celebrate our amazing Staff and Teachers the week of May 6th. Please see attached flyer for further information.

## RIISING STARS AWARDS

- Julian Rivera (2nd Grade) received the Rising Star Award. Julian has made notable academic gains since the beginning of the schoolyear. Above all, Julian has been able to unlock his reading potential since starting at The Key in August. He is a hard worker. Even when something is challenging, Julian always tries his best and is always determined to be the best he can be. We can't wait to continue watching Julian accomplish his goals.
- Edson Conde (5th Grade) received the Outstanding Character Award. Edson always works to the best of his ability, is polite, shows the 4 R's every day (responsible, reliable, respectful, and ready to learn), is kind, compassionate, and is a great friend to all. Even when challenged, Edson gives his all and tries his hardest. Edson is a model Key student.
- Lana Muñoz (12th Grade) received the super senior award. Lana is quite a superb senior here at The Key. Not only does she excel academically, she is also a natural leader in our school community from her contributions as part of Student Government and on the prom committee. She works hard to always do her very best- whether as a student or working a full-time job. She is kind & helpful in serving our school by caring for the littlest within our school and assisting in the baby room. She is welcoming and warm to all her classmates and teachers, exemplifying outstanding moral character in the way she carries herself every day. We are lucky to have her as part of The Key family and are eager to see her blossom as she graduates.
