

Dear Parents,

We hope this finds you well and filled with the joy of the Lord as we walk towards the end of the first quarter at The Key to Learning with Dr. Nyman. We are excited to announce our annual Walk-A-Thon — an event that supports our mission to unlock success for students of all abilities and that fosters community, stewardship, and perseverance in faith. Hebrews 12:1 reminds us to “run with perseverance the race marked out for us.”

This year's Walk-A-Thon is Friday, October 9, 2026, on campus. Students will walk a loop that travels through the building and around the drop-off parking lot while we raise funds for school resources, programs, and enhancements to our campus.
